

HI-TECH PLASTICS

(PVT) LIMITED

HI-TECH PLASTICS (PVT) LIMITED

A subsidiary of Wah industries Limited. HTP is a Plastic Processing Company, equipped with modern Injection Molding, Extrusion and Blow Molding facility. Dedicated to achieve the highest level of quality, HTP for the past 30 years is supplying sophisticated Plastic Packaging and products to Pakistan Armed Forces and highly precision components to country's various industrial units, in addition to other commercial items.

All products produced at HTP have to undergo strict Quality Checks, from raw materials to final product stage. Pre Delivery inspections, conducted by Quality Assurance Directorate of POF include inspections and following Endurance tests where applicable:-

- Visual and Gauge Inspection
- Water Immersion Tests
- Rough Usage Test
- Drop Test
- Extreme Weather Conditions Tests
(Desert & Arctic Conditions Test , i.e., - 40°c — + 60 c

QUALITY AND RELIABILITY

With all production facilities under the same roof and having mass production capabilities, our products are highly cost effective with all the advantages of being corrosion and fungus resistant, long service life and light in weight.
